# DISCLAIMER

---

Certain statements herein may contain forward-looking statements and forward-looking information within the meaning of applicable securities laws. Forward-looking statements or information appear in a number of places and can be identified by the use of words such as “plans”, “expects” or “does not expect”, “is expected”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates” or “does not anticipate” or “believes” or variations of such words and phrases or statements that certain actions, events or results “may”, “could”, “would”, “might” or “will” be taken, occur or be achieved. Such forward-looking statements and information are subject to risks, uncertainties and other factors which may cause the Company’s actual results, performance or achievements, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statement or information. There can be no assurance that a forward-looking statement or information referenced herein will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements or information. Also, many of the factors are beyond the control of the Company. We undertake no obligation to reissue or update any forward looking statements or information except as required by law. All forward-looking statements and information herein are qualified by this cautionary statement.

# WHO ARE WE?

---

**We are a strategic investor  
in growth-ready companies with  
innovative technology solutions**

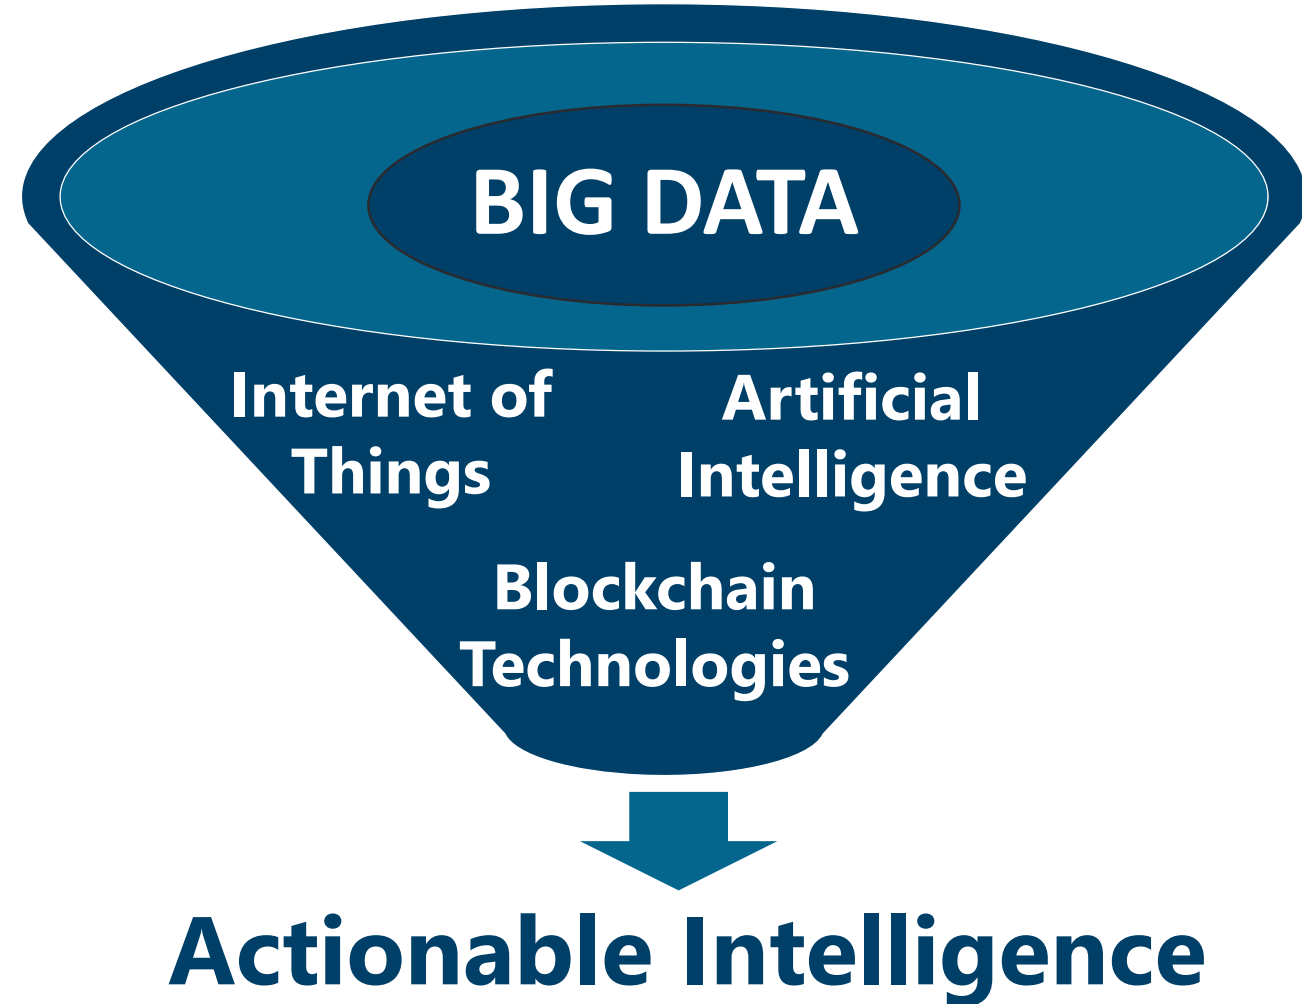

# WHAT IS OUR INVESTMENT FOCUS?

Pre-to-early stage commercialization

Areas we focus on:

- **Autonomous/Connected Vehicles**
- **Industrial Production**
- **Supply Chain Management**

# INVESTMENT TYPES

We make **strategic investments** to create target pipeline and acquisition optionality.

I

## Investor (Proof of Concept)

- Equity Financing
- Bridge Financing
- Secured Debt
- Convertible Debt

P

## Partner (Late Stage)

- Joint Venture
- Licensing
- Royalties
